Weddings & Private Events

Wholly Gelato is a dairy farm just a few yards away from Elmore Court where all our gelato is made from fresh milk from our cows. The only dairy free option we do is sorbet, but it is creamy and lovely. We are planning to do 3-5 flavours for each wedding. We can also have the wafers personalised, you can have your photo taken in the trailer – we can decorate the churn or the trailer hatch with any flowers you may have whilst decorating the venue, otherwise we put in large branches of bay (these can be decorated with hanging items if you wish).

The trailer will be at your event staffed for up to 2 ½ hours at an agreed time. It includes wafers, cones, tubs, spoons, napkins, gelato. Prices shown below are for events within 35 miles of the farm (GL2 3NT) – for further events we charge 75p/mile.

We hope you can come to the small retail shop on the farm to try it out. See our website www.whollygelato.co for more details or call 01452 724633 to speak to Emily or Jenni
